

Jump.trade sells out Meta Cricket Leagues' 55,000 NFTs in 25,000 Packs in the record 9 Minutes!

This sets one of Asia's largest-ever drop records in the volume and total time to sell off with traffic of over 1 million wanting to claim NFTs during the live drop.

India, April 25 2022: Jump.trade, the international gaming NFT marketplace introduced by GuardianLink, sold out 55,000 Meta Cricket League (MCL) NFTs within 9 minutes when the Cricket NFTs drop went live at 5 PM on Friday, April 22, 2022. The first NFT which prompts GuardianLink's foray into the AI-Powered Metaverse game witnessed unprecedented traffic of a million+ enthusiasts during the live drop time wanting to claim the NFT.

Meta Cricket League is a new Play-To-Earn game that is driven by NFTs and A.I. and allows players to earn cash prizes and other rewards by climbing leader boards through grinding or challenging other players.

Priced at US\$ 25 each, The Super Loot has NFTs were designed for rarity and uniqueness across multiple algorithmically designed drop packs: Metaverse Cricket Team Players NFT and Authenticated Signed Digital NFTs of Legends.

Using the NFTs, players can engage in monetizing their gameplay and unlocking incentives as well as real-world utility for their digital assets. They can collect playable authenticated and signed collectibles of legends, upgrade NFTs to improve in-game performance, and increase value appreciation in the marketplace or rent their NFTs to other players. Each NFT was ERC 721 and holds a unique smart learning system powered by game A.I. layer and was minted on zero gas fee Layer 2 of GuardianLink with the ability to work across cross-bridge networks of the polygon, Ethereum, avalanche, and Solano.

Commenting on the record sell-out, **Kameshwaran Elangovan, Co-Founder & COO of GuardianLink** said, *"We have received an overwhelming response from both the gaming and cricket community. The pre-booking activity has also witnessed phenomenal interest, just like our previous NFT drops. We expect the Zero Gas Fees and the world's first cricket NFT to revolutionize the amalgamation of offline games with web3.0. Our Layer 2 enhances transaction speed and enables interoperable blockchain protocol. Hence, we expect great market participation for the current and future NFTs."*

Jump.trade, a GuardianLink brand, will also soon be launching exclusive collectible NFTs for Chelsea fans presented by Chelsea's leading UK collector. The collectibles will feature tickets, matchday programs, menus, and signed postcards/photographs spreading across the entire stretch of the club's history dating from 1905 to the recent past, presenting the collectors with a treasure trove of the club's legacy.

The collection is brought in conjunction with the A-Star Foundation, a London-based charity that promotes the positive progression of young people to industry professionals and mentors by delivering dynamic programs and initiatives that provide opportunities to enrich and educate and also eradicate gun/knife crime and all other anti-social behavior.
